## THE GEMINI BOAT RACE BURSARY FUND APPLICATION FORM

---

APPLICANT NAME:

ORGANISATION:

ROLE:

---

The Gemini Boat Race Bursary Fund supports our goals to engage young people across the UK to help develop physical and mental well-being, alongside life and academic skills through rowing. The fund is now open to new applications from organisations who are able to demonstrate how they will positively impact on the life skill development of the young people they work with.

---

We ask you to submit a 2-3 page word doc proposal, along with this cover page. Please detail why your project should be supported and how your project will benefit young people in the short and longer term. Please ensure you address the following criteria within your application.

- Evidence of experience with delivering sport and education to young people
- A robust plan to deliver a long-term project to benefit young people including an outline budget
- Plan to work with underrepresented groups within rowing
- Clarity on how the bursary will be targeted to support 11-18 year olds
- Demonstrate how life skills are going to be taught as part of the project
- Clear reporting structure to show the impact of the bursary support after 6 months and 12 months
- Consideration as to how you aim to continue your project when the bursary grant is spent
